Superintendent's Message

Janet Sifferman, Superintendent

After the extended and arduous winter we (hopefully) have put past us, it is hard to believe we are already gearing up for the end of the 2013/14 school year. Graduation is around the corner and our high school students are eagerly anticipating prom night in the coming weeks. This is a time of high spirits, particularly for our high school students, and I would ask that you, as parents, stress the importance of responsibility and caution as our students enter prom and graduation party season. We have much to be thankful for in Hartland. During these challenging and often adversarial times, both in our own county and across the country, Hartland continues to keep its focus on what is important – family, school, community.

With that in mind, I hope all of you will take the time to vote in our special school election on May 6 on the 18-mill Non-Homestead proposal. This proposal is a renewal of the 18 mills that has been levied on non-homestead properties since the passage of Proposal A in 1994. Principal residences and other qualified property are exempt. This renewal equates to over \$4 million in revenue for Hartland Consolidated Schools. Please don't forget to vote on May 6!

Person of the Month

Sue Cartier

Sue Cartier, Crew Leader in the kitchen at Farms Intermediate School, began subbing in kitchens in Hartland in 2000 and was hired at Round in 2001. She also worked at Village and Lakes before moving on to Farms. She has been a crew leader for eight years and is involved in the Student Nutrition Association of Michigan (SNAM), continues to take CEU courses for levels one and two, and has been certified "Serve Safe."

She has been married to Leo for 24 years and has one son, Leo, Jr. They moved to Hartland in 2000 and Leo, Jr. graduated from Hartland High School in 2009. He attended and graduated from Eastern Michigan University and currently lives in Ann Arbor.

Most memorable moments: ("G" rated)

"A big thank-you to Keenan Simpson, former principal at Farms Intermediate School, who after many months of persuading, allowed us to start a breakfast program at Farms. I think it has been the best idea I have tried! The support I have always gotten has been great!"

Why are you still here?

"Hartland has been a wonderful place to work. They have given me many opportunities to grow. The administration and staff have been a pleasure to work with for the past 13 years. Hartland Schools has always been very supportive of the kitchen staff and of me."

Positive thoughts about Hartland Consolidated Schools:

"I love being a part of such a wonderful school district and the community. Hartland and the schools are growing, but still remain like a small town – the best of both worlds!"

Dwight Sachau-Grand Marshal

Dwight Sachau was born in Anthon, Iowa on March 17, 1924. That's right, St. Patrick's Day. Dwight jokes, "Yeah, my birthday is celebrated by a lot of people every year!" At the young age of 90, Dwight still remains active in the community. Hartland Township Treasurer Kathi Horning nominated Dwight. She mentioned that he regularly attends the Township Board meetings and offers ideas and concerns from a citizen's point of view. Dwight continues to be more involved and active than most people half his age.

One activity is a charter fishing tournament held annually since 2009 in Manistee. Every mid-May as many as 60 boat captains and their charter boats give 300 Michigan veterans a memorable fishing trip at no charge. The veterans are from all branches of service. Though the tournament itself is for veterans only, the public participates in the "Welcome Back Celebration." As boats return to the marina, traveling up the channel to Manistee Lake, the shore along the channel is lined with people waving flags and cheering, welcoming the veteran fishermen "back home." HEA donates to local organizations

The Hartland Education Association (HEA), consisting of teachers in the Hartland Consolidated Schools, recently donated money to local organizations. This money is collected by the HEA members for charitable purposes. In addition to providing \$300 to Big Brothers/Big Sisters of Livingston County for Bowl for Kids' Sake and \$250 to the American Cancer Society for Relay for Life, \$200 was donated to each of the following organizations: Meals on Wheels, Hartland Senior Center, Hartland Area Historical Society, and The Connection. Earlier in the year, Gleaners Food Bank, The Salvation Army, the American Red Cross,

and the Hartland Teen Center were also recipients of member donations. In addition, HEA member donations supported individual schools' "adopt-a-family" events. The HEA appreciates the support of the community and believes strongly in giving back! This is our way of saying "thank you" to the fantastic groups who help local residents in so many different ways.

Round Elementary News

Dave Minsker, Principal

810.626.2800

We have had a tremendous school year so far at Round Elementary. Spring always brings a lot of excitement and many great activities. The Round PTO sponsored a celebrity auction which was a huge success. The Round School Family raised over \$10,500 for students and teachers. It was a night of great food and a chance to spend a fun evening with all of the Round School family. A spaghetti dinner was followed by a live and silent auction for many exciting prizes, raffle classroom baskets, and silent auction items. We would like to thank the many sponsors that donated items for the auction and to the PTO for organizing this memorable event. Also thank you to the PTO board and chairpersons who planned the event, and the numerous volunteers who prepared the food. It was a great night for Round Elementary. We wish everyone a happy spring!!!

The silent auction table was a big hit. Thank you to all the sponsors that donated the fantastic prizes for the fundraiser.

Each class created baskets that were put up for raffle.

The spaghetti dinner, with salad and breadsticks, preceded the auction and allowed the Round Family to have a meal together before the festivities.

Mrs. Tammy Chinn served as the MC and the auctioneer for the night. She did a terrific job.

The auction featured a karaoke machine for the children. It was a big hit!

Thank you!

Wow, what a great Fun Fair and Silent Auction! We are so happy that so many people from the community came out to support our school and bid on some great Silent Auction deals. It's truly amazing to see how many businesses in our area have stood up in this economy and continue to support our schools. We want to say thank you to all of the amazing volunteers, the families who donated to our class baskets, the parents who helped put the class baskets and the class projects together, the parents who baked the wonderful goodies for the cake walk, the staff, and the wonderful PTO for all the time you took planning to make this event happen! Joyce Eichhorn, mother of art teacher Kirsten Eichhorn, has been volunteering her time to teach Village fourth graders sewing and knitting this spring.

Village students were excited, once again, to have 8th grade students from Ore Creek visit for their annual reading exchange.

Fun Fair was a huge success! Families enjoyed games, food, the silent auction and more.

Mrs. Jessen's first grade class enjoyed Green Eggs and Ham in March thanks to their special guest chefs, the students' dads!

Congratulations to Mrs. Cabaj's third graders! They were the top reading class during our March Reading Olympics. Way to go and keep reading!

Staff Volleyball Tournament

LEGACY would like to thank everyone who attended the Staff Volleyball Fundraiser.

Challenging teams came from Creekside, Hartland Middle School, the Bus Drivers, Farms and LEGACY. The bus drivers came armed with cheer leaders adding evening excitement.

After a rough competition HMS and Creekside reigned as Co-Champions of the WORLD!!! Both teams ended the night with 3 wins and 1 loss.

\$391.00 in donations were collected. Everyone was very generous. All of the funds raised will go toward the LEGACY Athletic Program.

As we all know, athletics are a good outlet for teens and young adults. By donating to the cause LEGACY students will be given a positive opportunity, outside of the general education curriculum, to benefit from lessons sports provide.

The Hartland Community continues to be a place of learning, caring and support. The people, businesses and schools take the responsibility of raising children to heart. The children that live and learn here are so fortunate to have the opportunity to grow in this community.

At LEGACY HS, we have been touched by the love and support of so many different organizations within the Hartland School community. Just recently a volleyball fundraiser was held at the Service Support Center. Over \$400 were raised to directly support the students and learning process at LEGACY HS. A Special thank-you to those that participated; Transportation, Ore creek, Farms and Creekside all donated personal time and money to this event.

Last month the Student Leadership team sponsored a field trip to The Planetarium in Flint; organized by Ms. Schaefer, LEGACY science teacher. The trip was excellent and all that participated had a great time and learned a ton about space, planets and stars.

In the LEGACY English classroom organized by Ms. Waske, new books were purchased by a collaborative initiative between Special Ed., curriculum and Community Ed. The new books have been added directly to the English classroom library and are now available for students to read. A recent district professional development reading initiative involves a book title expansion so students have access to a diverse selection of titles in the classroom. Teachers are being trained to implement the use of many books instead of studying only one novel as a group. Graduation is scheduled for Wednesday, May 28 at 7:00pm in the Performing Arts Center at the SSC building on M-59. Please plan to attend this important event as we celebrate the academic success and achievement of The Class of 2014.

LEGACY Spring Challenge Volleyball

On March 26, Mrs. Waske's team played Mr. Lemay's team for the Championship. Mr. Lemay is gloating over his team's win. Mrs. Waske will be back again for the challenge.

In a recent telephone survey, 95 percent of Hartland residents indicated that improvement and maintenance of roads are important in our community. The members of the Safer Roads and Pathways Task Force have created a plan to address the deteriorating condition of roads within Hartland Township.

We are asking residents to provide their thoughts on this plan, including the roads and pathways prioritized and the recommended funding source. A series of informal townhall meetings are scheduled to discuss roads and pathways within the Township.

Are You Listening?

Remember when your parents were lecturing you on the rules for taking the car for a spin? Dad would put his face in front of yours and say, "Are you listening?" Of course you would say "sure" even though your mind was miles away on the adventure to come.

Today, as adults, the children who received the counsel and wisdom of their parents are facing a reverse situation in their lives. They are finding themselves concerned about their aging parents and what their needs will be as their health and mental abilities fail them. In some cases the children must take the role as parent in securing the safety and well being of an elderly family member.

Julie lives 600 miles from her mother. Knowing her mother's health is frail and she lives alone, Julie calls her every evening after work. The conversation always goes like this;

"How are you doing today Mom, Julie asks? "Everything's fine", Mother replies. "Are you taking your pills?" "Yes, everything's fine." "Do you need anything?" "Everything's fine."

Julie does not get much more conversation from her mother. Perhaps everything is fine, or perhaps Julie's mother just wants Julie to think she can take care of herself. Even worse, mother could think all is fine and be forgetting her medication and not eating properly.

Is Julie really listening? ARE YOU LISTENING?

It may be time to put your face in front of your parent and listen.

Assuming that all is well and that your elderly family member knows and does what is best for them, may be putting them at risk.

Become a partner with them in their care. The best time to form the partnership is before a crisis happens.

Donna Schempp, a licensed clinical social worker and program director at the Family Caregiver Alliance, states that in talking to your parents, "The sooner, the better." If you bring up the subject before your parents need any extra support, "then it's not crisis driven," she explains. "It's not a way of saying, 'Mom, Dad, there's something wrong with you.'"

A good way to begin is to sit with your parents and ask questions like, what are your concerns for the future. Do you want to remain

in your home? Are you worried about losing your independence? Listen to their answers. You might relate your concerns as well, or you desire to be of help.

In become a partner in planning for care and helping your loved one, you need to know what legal and financial arrangements are in place. By asking, "What if you had a stroke, Mom, I would need to know where your medical and insurance documents are and what you would have me do in your behalf."

The next step might be to accompany them to their doctor appointment so to understand what their medical needs are and help create a plan for future needs.

The National Care Planning Council's book "The 4 Steps of Long Term Care Planning" gives the following list of most common services family care givers will provide for their parents.

- Walking, lifting, and bathing
- Using the bathroom and with incontinence
- Providing pain management
- Preventing unsafe behavior and preventing wandering
- Providing comfort and assurance or arranging for professional counseling

- Feeding
- Answering the phone
- Making arrangements for therapy, meeting medical needs, and doctors' appointments
- Providing meals
- Maintaining the household
- Shopping and running errands
- Providing transportation
- Administering medications
- Managing money and paying bills
- Doing the laundry
- Attending to personal hygiene and personal grooming
- Writing letters or notes
- Making repairs to the home, maintaining a yard

There are many resources available to help families in caring for their elder parents. As you become involved you will know when it is time to bring in professional services to help or when the need to find new living arrangements is necessary.

Beginning now, to talk, listen and plan together can make the journey more pleasant for everyone involved.

"A Community for a Lifetime"

Livingston County was just named "A Community for a Lifetime" by the Michigan Commission on Services to the Aging. The commission recognized the following strengths from the Aging-Friendly Community Assessment:

- Progress made in connecting pedestrian/bicyclist routes between cities;
- Senior emergency room departments with geriatric expertise and aging-friendly environments;
- Comprehensive Senior Housing Guide with a multiple range of options;
- Demonstrated involvement and commitment of stakeholders and boards; and
- When community health and mobility needs are identified, training programs are initiated to enhance the wellness of community members.

The assessment was completed and submitted by the Livingston Leadership Council on Aging which is comprised of human service providers, government leaders, health care providers, senior service providers (Hartland Senior Center) and senior residents of Livingston County.

Hartland's Memorial Day Parade

As Hartland observes its 79th annual Memorial Day celebration, Community Council takes this opportunity to remind residents that safety for our young people is a concern. Last summer a young man in Annapolis, MD died as a result of being run over by a float. Please instruct children not to attempt to get on or off a moving vehicle, trailer or float and set the example with your behavior. Throwing items from a moving vehicle, float or trailer is prohibited to prevent youngsters from running into the road and being exposed to the dangers of moving vehicles. Items may be distributed by walkers near the outside edges of the Parade route, away from moving vehicles. Your cooperation in helping reduce the safety risks is greatly appreciated.

As we honor our veterans and service people this Memorial Day and remembering that Freedom's Not Free, please follow the proper etiquette with respect to our American Flag. There are several sources for rules and etiquette regarding the Flag, two references are <http://www.legion.org/flag/code> and <http://www.senate.gov/reference/resources/pdf/RL30243.pdf>

The CRS Report for Congress, Order Code RL30243, The United States Flag: Federal Law Relating to Display and Associated Questions; Updated April 14, 2008 contains the following paragraph:

§ 9. Conduct During Hoisting, Lowering or Passing of Flag.

During the ceremony of hoisting or lowering the flag or when the flag is passing in a parade or in review, all persons present in uniform should render the military salute. Members of the Armed Forces and veterans who are present but not in uniform may render the military salute. All other persons present should face the flag and stand at attention with the right hand over the heart, or if applicable, remove their headdress with their right hand and hold it at the left shoulder, the hand being over the heart. Citizens of other countries present should stand at attention. All such conduct toward the flag in a moving column should be rendered at the moment the flag passes.

Grand Marshal (continued from page 1)

veteran described in emotional words his experience from the 2012 tournament. "When I came home from duty, we were told not to wear our uniforms. The American public was tired of Southeast Asia. This was a welcome home I never received." Dwight, at 90 years old, makes every effort to see that veterans continue to participate in this annual event.

If you have purchased a "fly-over" button this year, or in years past, Dwight likely had a hand in that. He is generally the top seller of the buttons. The proceeds are used to help fund the cost of the flyovers that take place the morning of the parade.

Another project of Dwight's and his fellow members of American Legion Post 415 is Camp Liberty. Camp Liberty is an outdoor recreational facility for veterans. The hope is that with the fresh air and outdoor activities, the success for the veteran's medical rehabilitation will be greater. Research has shown this to be the case. Hartland Post 415 has made contributions in the thousands.

At 17 years of age and a junior in high school, Dwight's father gave him permission to join the United States Navy. It was June 1941, about six months before the day that President Franklin Roosevelt described as the "Day that will live in infamy." Over the next four years, Dwight would travel to Iceland, the Panama Canal to the Pacific Ocean to Guadalcanal. He served on the USS McCawley, a transport ship that was part of a convoy with the invasion of Guadalcanal. The Guadalcanal campaign began in early August 1942. Initially the U.S. servicemen were lead to believe it would last just a few weeks. It continued until February 1943.

In late June, 1943, the USS McCawley was off loading for a landing in the Soloman Islands. An air attack by the Japanese planes ensued. One dropped a torpedo that slammed into the McCawley. The blast ripped a 40 foot hole, causing the ship to roll. Dwight found himself in water up to his neck. Seventeen of his fellow sailors lost their lives. He did proudly add that one of the gunners from the ship did manage to hit the very plane that dropped the torpedo. That plane went down just a short distance ahead of the McCawley.

Just a few days later, the McCawley was struck when another U.S. ship mistook it as an enemy vessel. The day following, headlines in U.S. papers listed that the McCawley had been sunk. One can only imagine the anxiety and sleepless nights his family and friends endured until weeks later when it was finally confirmed that Dwight was alive. Dwight was discharged on December 7, 1945, the 4 year anniversary of the bombing of Pearl Harbor. After his discharge, he married his wife Eileen. They lived in Detroit until 1997 when they moved to Hartland. He worked 28 years for Sears, and then 15 years in the pest control business. When he retired in 1989, he and Eileen put almost a quarter of a million miles on a couple of vans, seeing all 49 states. Hawaii just a few years ago involved a trip by air.

Please celebrate and salute Dwight as he rides with his wife Eileen at the head of the 79th annual Memorial Day parade.

Black Sheep Weavers Fiber Guild

Spinning Yarn with a Drop Spindle

On May 8, the Black Sheep Weavers Guild speaker will be Kathy Moskal, and she will be demonstrating and teaching us how to spin yarn with a drop spindle. Using a spindle is a very economical way to learn hand-spinning for a beginner. Once you have mastered the spindle you will have learned the steps needed for spinning on the spinning wheel: drafting out fibers, twisting the fiber into yarn, plying, winding up and storing the

spun yarn. There will be a kit fee of \$5, which will include a drop spindle, and fiber to work with.

Kathy Moskal has been raising llamas, alpacas, angora goats and angora rabbits, as well as poultry on her farm in Chelsea, Michigan since 1998. She uses the fiber her animals produce to create roving, yarn, and household goods.

Members have been busy creating fabulous fiber creations of all kinds for our 10th annual Spring Fling sale on Friday, May 2 and Saturday, May 3. Please view our display ad in the Art & Entertainment page of this newspaper.

We meet at the Hartland Educational Support Services Center on M-59 in Room 3. We always welcome visitors who are interested in any of the fiber arts! Social time begins at 6:30pm, followed by a business meeting and Show n Tell with our monthly program beginning around 8pm. For additional information please visit our website at www.blacksheepweavers.com or contact Kathy Amerman-Treasurer/Membership at 248.684.0968.

Homework Battles and Reading Difficulties Resolved— Thanks to Vision Therapy!

"Shelby's entire 1st & 2nd grade was spent struggling to read and she had a terrible time spelling. I spent the entire two years asking if there was something wrong, as a mother I knew there was..."

After receiving her test scores at the end of second grade the proof was in the very low performance scores. Although Shelby could read at grade level because we worked so hard at it, it was very frustrating and unenjoyable for her and her reading scores reflected that.

A friend recommended Hartland Eye Care because of the specialization in vision problems that can contribute to learning difficulties. It turns out that Shelby had an eye movement problem (also known as a tracking problem). Everything about the tracking issue fit Shelby to a "T". She would fight me on doing homework, couldn't spell very well, never wanted anything to do with the computer etc.

After the initial meeting Shelby started the vision therapy. After completing vision therapy, she was retested in January and her reading went from below average to high average. Her spelling has improved dramatically and she loves the computer!"

Serving the Hartland Community for 20 years...

In addition to providing family vision care, Dr. Doud has been diagnosing and treating vision problems that interfere with reading and learning for more than 11 years. Dr. Doud has treated hundreds of patients from the Hartland and surrounding communities from all over South East Michigan.

"It is very rewarding to see children excel who previously struggled because of underlying vision problems," shares Dr. Doud. Most people don't realize that seeing 20/20 is just one of 17 visual skills required for academic success. All 20/20 means is that you can see the size of letter you are supposed to see from 20 feet. If your child continues to struggle with reading despite all best attempts to help, a vision problem could be at the root of his or her difficulties.

Encore offers scholarship

The Hartland Players' Encore Youth Theater is offering a one-time \$500 scholarship to a graduating high school senior. The scholarship was initiated in 2005 and continues to recognize students who have demonstrated special ability in, and dedication to, the theater. Although the scholarship acknowledges students with experience in the theatrical arts, it may be used at the college of the recipient's choice while pursuing the discipline of his/her choice.

In order to be eligible for the scholarship, the high school senior must be a past or current member of Encore Youth Theater and have a cumulative high school grade-point average of 3.0 or higher. In addition, he/she must include with the application a copy of his/her high school transcripts, an acceptance letter from the college of his/her choice, two letters of recommendation, a completed application form, and an essay response.

Applications are available on the www.hartlandplayers.org website and must be postmarked by May 10, 2014. Recipient(s) will be notified by phone on May 24, 2014. The scholarship check will then be given to the high school of the recipient so that it may be presented as part of any scheduled honors awards ceremony.

Encore Youth Theater provides training and experience in the performing and theater arts for students aged 8-18 through theatrical productions, camps, and workshops. This scholarship is a way for us to celebrate a student's growth and commitment to the theater. We encourage all who are eligible to apply!

For additional information, visit hartlandplayers.org or contact Amy Shettler at shettler@comcast.net.

Encore-Future Theatrical Opportunities

Encore Youth Theater will offer two exciting Drama Camps this summer which will help kids aged 8-18 grow in the theatrical arts. The first camp will focus on musical productions of Broadway and the second camp will offer an opportunity for kids to create their very own theatrical production. Camps run July 21-25 and July 28-August 1. Visit www.hartlandplayers.org for more information.

Encore Youth Theater's fall production will be Roald Dahl's *The Witches*. Auditions will be held at 9:30am Saturday, September 6 at the Hartland Music Hall. This play is a faithful adaptation of Dahl's clever story where the Grand High Witch puts together a fiendish plan to rid all of England of their youngsters. As the story unfolds it becomes a hilarious adventure not to be missed! Encore encourages everyone who is interested and between the ages of 8-18 to audition. Look for audition information on www.hartlandplayers.org and at the Crounse Library the beginning of August.

The project encompassed more than 500 work hours. In his troop, he has served as Patrol Leader, Troop Guide, Historian, and Librarian and has also received his Bronze Palm. Brett is a member of St. John's Catholic Church and is active in band at Hartland High School, where he is a freshman, and is also a member of the Eagle One FLL robotics team. He is the son of K.C. and Stefanie Furge of Hartland.

Cub Scout Pack 385 News

Spring is finally upon us and Cub Scout Pack 385 has been busy! Our Scouts have all crossed over and achieved their next rank! Also in April the pack went to Great Lakes National Cemetery and helped clean headstones. May, will be very busy as they prepare for the opening ceremony at Relay For Life, help out at Gleaner's food bank and prepare their float for the Hartland Memorial Day Parade! The boys are also looking forward to an overnight campout at a local park! The boys enjoy having fun while learning useful life skills along the way! If your son is interested in Cub Scouts, or if you have any other questions, please feel free to call Eric Fedewa at 810.225.4805.
